

Message from our Head

Dear Parents

Our PA and the Carnival Committee launched the new and exciting logo for Carnival at assembly this week. I am sure the 'Llola the Llama' will start to become a feature around the Prep in the forthcoming weeks. The girls cannot wait to be the first to find the hidden stones before next Tuesday. I have no doubt that Carnival is going to be amazing this year with many new and exciting events.

On Wednesday evening we celebrated the individual talents of the girls at our annual Music Soirée. Grade 2 – 7 girls who auditioned were showcased in a beautifully decorated hall and the audience were treated to a wonderful performance. Many thanks to the Gonsenhauser family for the loan of the rugs. This evening marked the opening of the Art Exhibition and guests were able to enjoy the beautiful art that was on display.

I will be travelling to attend the International Confederation of Principals' Conference which takes place in Shanghai, China from 20 – 25 October. I am really looking forward to all of the dynamic key note speakers. I will also be visiting a number of schools in Shanghai and Shenzhen which promises to be very interesting. I return to school on Thursday, 31 October and I look forward to giving feedback on what promises to be a very exciting conference.

The U13A Water Polo team departed for Johannesburg yesterday to participate in the St Stithians Water Polo Festival. We wish them all the best for their tour and look forward to hearing all about it when they return.
