Message from our Head

Dear Parents

This week our Grade Ones shared a lesson on Perseverance in assembly. Perseverance is the effort to do something, even when it's hard! The message was conveyed using the story of the Elephant who wanted to be a Photographer. She didn't give up even though she was made fun of and teased. So often we are faced with this dilemma in our day to day lives but the Grade Ones showed everyone how they always persevere! The school was entertained when the girls performed their own rap that told of how they "always try – and that's no lie!"

Pre-Prep

The Pre-Prep girls had fun dressing up in green and gold on Friday to support the Springboks at the Rugby World Cup! They enjoyed learning rugby facts and even pretended to play a game of rugby during outside time. The girls support clearly worked as South Africa brought home the Cup!

Foundation Phase

The Grade 3s had fun presenting science experiments to their class. The girls were amazed and mesmerized by the fizzes, bangs and pops. The girls learnt a lot about chemical reactions while having fun.

Congratulations to our Foundation Phase Stars of the Week!

Eco Club

We did it!

On Friday, girls from the Eco Club had fun building a bug hotel. It was created from reclaimed wooden pallets and the girls 'furnished' the rooms with all kinds of things found at home - air bricks, piping, bamboo, bark, matted clumps of grass, logs with holes drilled into them, fir cones and more. The idea is to attract friendly (beneficial) creatures to our school garden. These include insects like butterflies, lady bugs and beetles as well as lizards, skinks and toads. Please visit the Herschel B&B for Bugs which is proudly situated on the bank behind the music block.

An added activity was to create 'bugs' out of marshmallows, pretzel sticks and tooth-picks. We extend our thanks to Ms Beeton for her dedicated assistance with our exciting projects this year. We hope that many of our girls will continue to show support for our environment by joining Eco Club in 2020.

Reminder: Can Collection

A reminder that Can Collection takes place on 28 November 2019.

Cans need to be rinsed and counted. The cans are collected at the tennis courts.

CARNIVAL 2019

PROUDLY IN ASSOCIATION WITH

I am so looking forward to Carnival next Friday. The girls are extremely excited. I have no doubt that it will be a truly spectacular evening. The planning and organisation behind the scenes is at a frenetic pace at the moment. I am so appreciative of all the time and energy that is put in by parents. Thank you! I look forward to seeing you all there on Friday, 15 November.

As we go into the last few weeks of term and the frenetic pace that goes with it, we should remember to take some time out and be with those we love.

Wishing you a wonderful weekend with your family.

Warm regards

Mrs B. Heidmann

CHRISTMAS HAMPERS

The annual Christmas Celebrations will be happening on 3 December. Girls and staff will be singing renditions of favourite Christmas songs and handing over gift hampers to our support staff. It is a joyous event organised by new prefects and portfolio heads and ***they need your help with donations for the hampers!***

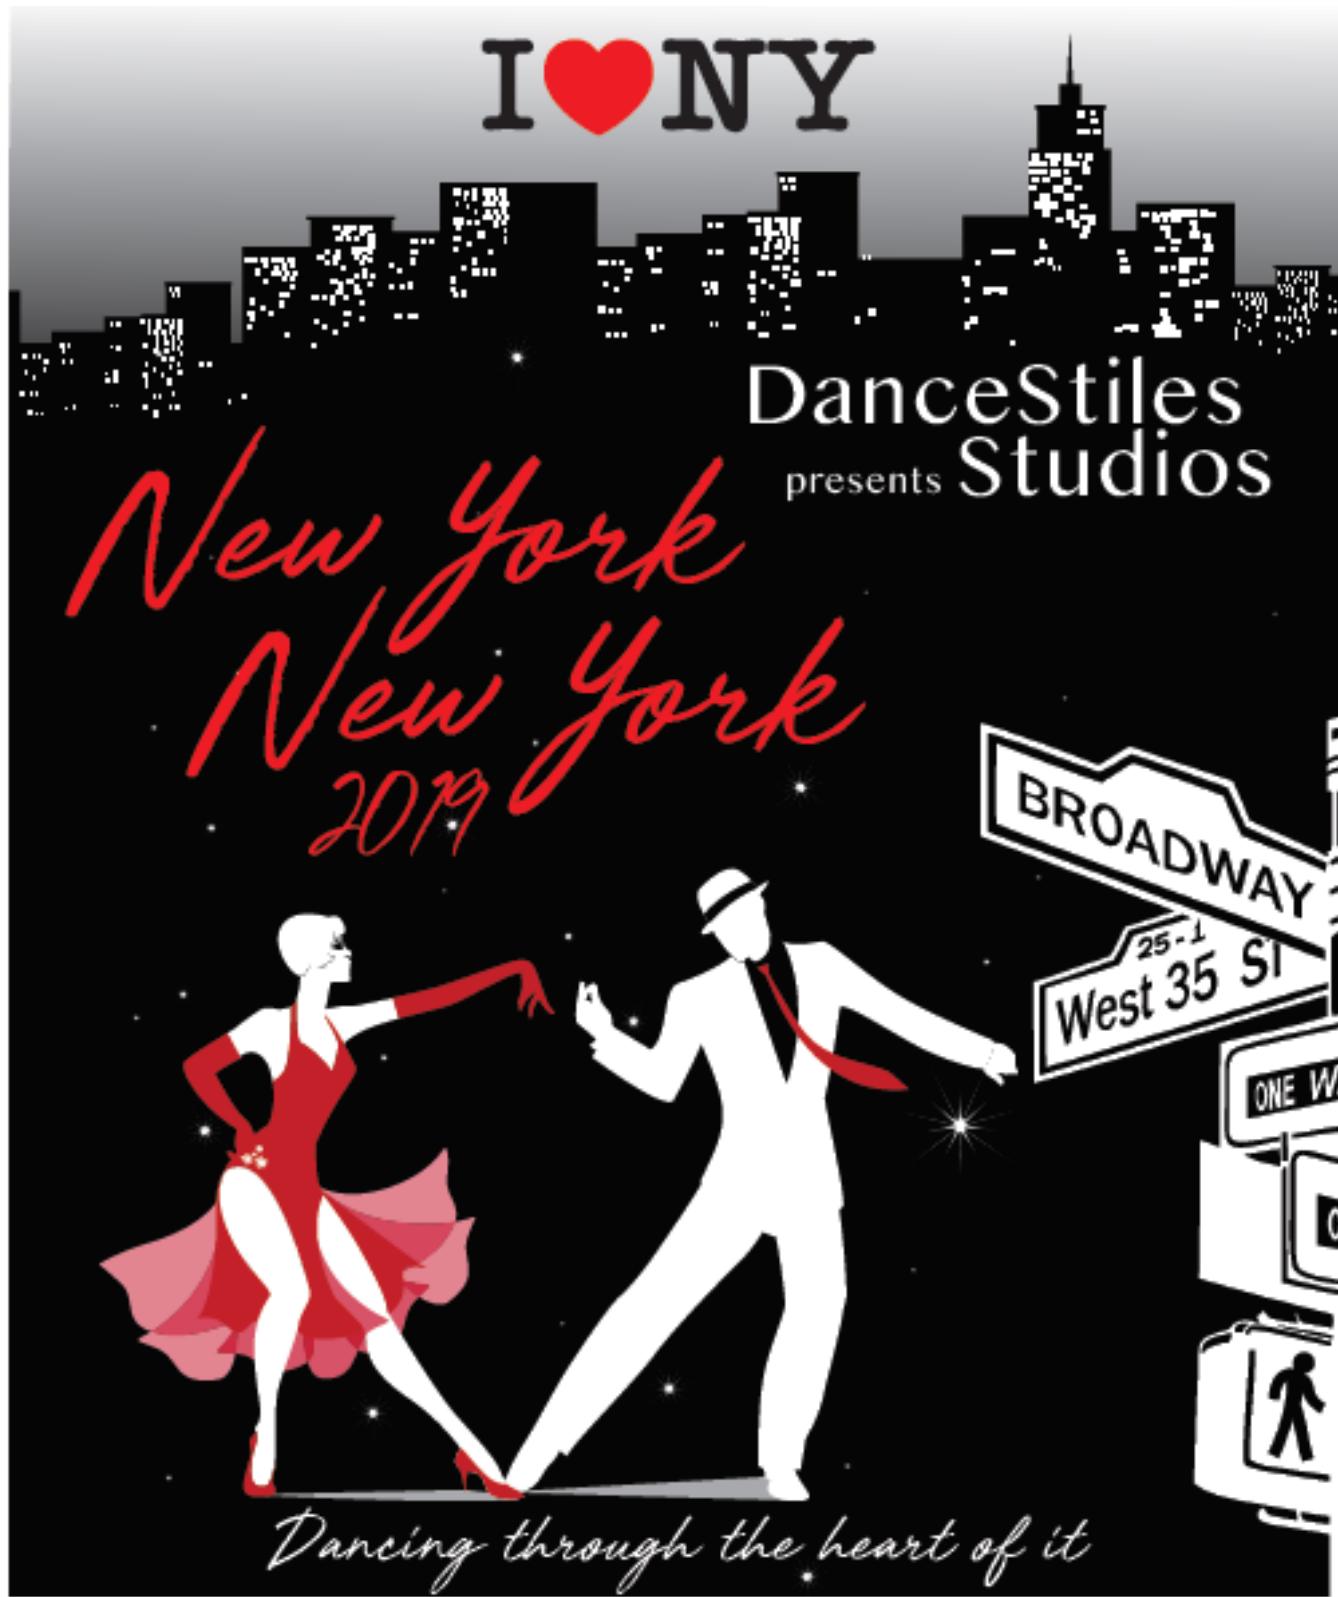

Adding that little extra item to your grocery trolley will help make a big difference and show our appreciation and gratitude for all that the support staff do for our school.

Please drop all donations at either the Senior or Prep School reception by 28 November.
