Music Scholarship: Grade 8 – 2024 General Information

VALUE

- The scholarships are worth up to 70% of academic fees.
- Music scholarships also cover music tuition on up to two instruments / voice. The number of and length of lessons, per week, paid for on each of the instruments, is determined by the core syllabus requirements.

ELIGIBILITY

- Candidates currently in Grade 7 wishing to enroll in Grade 8 – 2024 at Herschel, who have achieved a high standard of performance and show potential on any recognised music instrument or voice, are eligible to apply for the scholarship.
- At the audition, it would be advantageous if the level presented (on the first instrument) is a minimum of Grade 3 level or higher. ABRSM, Trinity or UNISA levels are recognised benchmarks, although pieces do not have to come from these syllabi.

SELECTION

- Technical and theory assessment: Candidates will be required to write a theory assessment (the level of which will not exceed Grade 3). This is done to assess the level of theory presented. They will also be required to play scales and arpeggios OR technical exercises on their first instrument (at the level of the pieces being presented), as well as perform a general aural test. This will include, but will not be limited to, clapping, and singing back rhythms and melodies.
- Practical audition: The candidate will be required to play her chosen pieces for the selection panel at Herschel. In addition, she may be required to play a piece of sight-reading at the level of the pieces being presented. Finally, candidates will be required to answer questions of a general musical nature. The candidate must be prepared to perform (on her first instrument) up to three pieces, in contrasting styles, that reveal her musicianship and technical ability. Candidates who play a second instrument (or who take voice as their second instrument) should be prepared to perform their third piece on that instrument.
- A timetable for both days will be communicated by the Music Department as soon as possible after the closing dates for applications.
- Applicants can provide their own accompanist; however, the school is able to provide an accompanist if necessary. If so, please ensure that the music is emailed to cdavids@herschel.org.za
- Please ensure that copies of the music are submitted with your application form

The successful candidate(s) will be encouraged to take Music as a subject from Grade 8 to Grade 12 and will be expected to be an active and passionate member of the Music Department at Herschel. They will benefit from the scholarship for the remainder of their schooling at Herschel up to Matriculation level.

Music Scholarship Students will be taught by a member of the Herschel full-time or instrumental staff.
