

Founded 1922

HERSCHEL
GIRLS SCHOOL

Herschel Girls School, founded in 1922, situated in Claremont Cape Town, is an inclusive independent Anglican school for girls from Pre-Nursery to Grade 12 which welcomes pupils and staff from diverse cultural backgrounds.

Herschel is committed to transformation and is an equal opportunity, affirmative action employer that gives preference, where appropriate in accordance with its Employment Equity Plan, to candidates from the designated groups. The School reserves the right not to make an appointment. Failure to meet the requirements of the advertised post will result in applicants automatically disqualifying themselves from consideration. Please note no faxed applications will be considered and only short-listed candidates will be contacted.

Herschel Girls Senior School seeks to appoint a
Subject Head of Physical Sciences
(IEB)
to commence duties in July 2023 or January 2024

Herschel Girls School has adopted the IEB NSC qualification effective 01 January 2022 and is looking for an innovative and progressive teacher who seeks the opportunity to be part of a dynamic and excellent staff and school.

The successful applicant will be a suitably qualified teacher and the following are essential:

- A demonstrable passion for and expert experience in teaching Physical Sciences up to and including Grade 12
- To be supportive of the Christian Anglican ethos of the School
- Be fully committed to the school's transformation, equity and belonging strategic objectives in support of an equitable, inclusive and safe school environment for all
- A willingness to work within the values and ethos of the school and a commitment to involve oneself in the broader extramural programme on offer at the school
- To hold at heart the school's tagline of "**learning to make a difference**" for oneself and for the pupils in one's care
- Excellent relational skills which allow for the development of a progressive, safe, inclusive and exciting teaching environment; and a cohesive and supportive department
- Healthy self-awareness and a well-developed sense of duty of care towards one's pupils and one's colleagues
- An understanding and appreciation of girls' education and the nuances applicable to support the educational premise of nurturing confident, independent, caring, resolute and inspiring young women, specifically advocacy for girls and woman in the Sciences
- A proven ability to establish a dynamic learning environment in the classroom and to design a rich and relevant curriculum and lessons that nurture curiosity and intellectual agility
- The ability to lead and the vision to inspire a team of teachers; excellent administrative, communication and organisational skills to support them in their roles
- The ability to integrate technology with confidence and flair to support a blended learning environment which engages students

- The skills and care required to be a tutor within the House system which we operate at Herschel. This involves active engagement with a small group of students across the grades, having oversight of their wellbeing and their academic progress

A letter of application (sent as an attachment), accompanied by a comprehensive CV, three contactable references and proof of SACE registration, as well as a Police Clearance certificate, must be sent to the following email address seniorphysicalsciencesvacancies@herschel.org.za by Wednesday, 17 May 2023.

Candidates should also complete all the details in the form found at this link:
