Are you passionate about the impact that technology is having on learning? Do you have a vision with regard to the evolution of technology in education? We are looking for an innovative ICT innovation and integration coach to support teachers in harnessing technology in the classroom and to drive advancement of technology.

The successful applicant will be a suitably qualified teacher with the desire and ability to:

- Demonstrate a passion for and have experience in driving and leading innovation and integration in ICT.
- Provide technology integration support for individual teachers, subject departments, and pupils
- Design and implement instructional systems that are aligned and integrated into the classroom curriculum
- Provide classroom instructional support for teachers through co-teaching, modelling, providing feedback, co-planning, and developing resources.
- Utilize and model technology integration strategies to support differentiation amongst pupils
- Provide differentiated professional growth opportunities for staff
- Assist in assessing and tracking technology skill levels of pupils and teachers and using the data to advise on a professional development plan for staff and interventions for pupils.
- Establish a dynamic learning environment and to nurture curiosity and intellectual agility in the technology and digital literacy space. Teaching responsibilities may include digital literacy and some electives in the technology/IT space.
- Support the Christian Anglican ethos of the School

- Commit to the school's transformation, equity and belonging strategic objectives in support of an equitable, inclusive and safe school environment for all
- Work within the values and ethos of the school and a commitment to involve oneself in the broader extramural programme on offer at the school
- Hold at heart the school's tagline of "learning to make a difference" for oneself and for the students in one's care
- Possess excellent relational skills which allow for a progressive, safe, inclusive and exciting advancement in the ICT environment
- Represent a healthy self-awareness and a well-developed sense of duty of care towards one's pupils and one's colleagues
- Demonstrate excellent administrative, communication and organisational skills

A letter of application, accompanied by a comprehensive CV, three contactable references and proof of SACE registration, as well as a Police Clearance certificate, must be sent to the following email address ictvacancies@herschel.org.za by Tuesday, 26 September 2023. **Candidates should also complete all the details in the form found at this link: <https://bit.ly/ICTinnovationandintegrationcoach>.**
